OUR VENUE

Established in 1896, Toowoomba Golf Club, offers a unique blend of rich traditions and natural elegance the envy of newer Clubs. Located on the escarpment of the Great Dividing Range, Toowoomba Golf Club, mixes a famous golfing destination with the youthful and vibrant Ridges Bar & Bistro.

The course layout is set amongst tall gums and pines and is idyllic for a golfing adventure. Locals often refer to “Middle Ridge” as a course for a lifetime. Rolling tree lined kikuyu fairways lead to arguably the truest manicured Penncross Bent greens on the Darling Downs. Post round it is easy to find yourself spending a couple of hours too many relaxing with your playing partners on the clubhouse deck at Ridges Bar & Bistro reliving the highlights of the round.

The Par 72 course measuring 5950 meters (6507 yards) requires strategic play rather than brute strength alone and is famous for rewarding adventurous play. In addition the warmth, camaraderie and friendship of the membership is complimented by its standing in the local community as the Golf Course to hold Charity Golf events.

So why not pack the clubs and spend some time amongst friends.

Our dedicated team of volunteers work very hard every year to fundraise for this great cause. However, without the help and generosity of our community, it would not be possible.

The Blush committee is always very grateful for the support and donations received. As a result of the contributions from businesses and the wider community over the past several years.

MISSION

Provide education and support services that will positively impact the wellbeing of patients and community members who have been affected by breast cancer in the Toowoomba and

VISION

Better the lives of our breast cancer community.

EMPOWERING THE LIVES OF AUSTRALIA'S HEROES

Since 2012, Young Veterans has set out to enrich the lives of Australian veterans by connecting them with their communities through active and social events.

Young Veterans was born from a necessity of support that wasn't available. This support is one that inspires Veterans to think outside the box of what is possible, re-engage with civilian society and participate in positive events that challenge and rehabilitate.

WHAT WE DO

Young Veterans aims bring those who are isolated back connecting with others and engaging with society. Young Veterans isn't necessarily about reminiscing about service times or who has 'done what', it is about moving forward, re-engaging and inspiring young veterans that we can achieve and succeed beyond our time in service.

So far a snapshot of events run by Young Veterans is; 4WD, camping, fishing, stand up paddle boarding, surfing, yoga, power lifting, ten pin bowling, swimming with the whales, walking, coffee catch ups, rock climbing, off-road racing teams and the list goes on.
